Fast and of Top-Quality

Joint Stock Company "Liūtukas ir Ko", a pioneer and a leader in the production of frozen culinary products, has been flourishing for more than fifteen years. The success of the enterprise is being achieved by the exclusive products it makes.

"Liūtukas ir Ko" makes delicious and healthy, quickly prepared, traditional and natural food products – dumplings with meat and other kinds of fillings, potato dishes, pancakes. A wide range of products does not restrain the customers having even the most exclusive taste and satisfies the need for fast and top-quality food.

Self-demanding and highly demanded by buyers, JSC "Liūtukas ir Ko" always aims at producing top quality natural products and strives to keep the leader's position in Lithuania as well as to promote its expansion in foreign markets.

In 2008 JSC "Liūtukas ir Ko" received the reward of „A Successfully Working Company" for its activities.

Favourite because
Natural

The exclusivity of "Liūtukas ir Ko" products lies in naturalness. All food products are made of natural Lithuanian raw material. Following the principle "A Man who Eats Healthy is a Healthy Man", the company assumes responsibility for taking care of its customers' wellness and pays much attention to a thorough selection of raw food material. Potatoes, flour, milk, meat and other products are selected by the strictest quality criteria which determine the production of delicious, healthy and ecological food.

In the production of dumplings, pancakes and potato dishes, "Liūtukas ir Ko" does not use any preservatives, food colourings or other unnatural substances. The product taste is retained by applying modern fast freezing technologies.

Responsible Decisions

“Liūtukas ir Ko” is an enterprise which combines both the Lithuanian traditions and up-to-date technologies. To keep the environment clean and to further make ecological and healthy food, the enterprise pays its utmost attention to high-quality and safe process of production.

To ensure the safety of its products and to guarantee a strict quality control in all the production processes, the enterprise has implemented the System of Hazard Analysis and Critical Control Points (HACCP).

A steadily outstanding quality of products and services is ensured by Quality Management System ISO 9001, which obliges to control the whole production process: from the selection of raw materials to the trade of production.

Production technological base of “Liūtukas ir Ko” comprises 1 hectare of the total territory (the area of buildings covers 25 ares of it), 1700 m² of the production space, 420 m³ of freezing rooms, 450 m³ of the production storehouses and 7 trucks.

It Can't Be Tastier

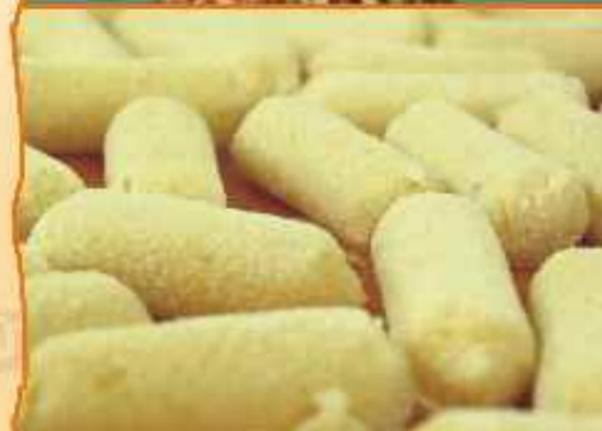

“Liūtukas ir Ko” production includes fast-to-prepare dishes, which are made following long-lasting traditions and latest trends in cuisine. The main principles of the production processes developed a careful attitude towards the value of the products made. The enterprise undertakes to make all its production using only natural ecological products, without any preservatives, food colourings or food additives as well as to ensure top quality of its products and to guarantee the exclusive taste so much appreciated by customers.

Cherishing food making traditions and flexibly employing innovations in production, culinary specialists – highly qualified, professional and dedicated to their work – are trying to create and preserve authentic recipes of the production. “Liūtukas ir Ko” is proud that its foreign customers have a possibility to savour high quality Lithuanian dishes such as zepelins and pancakes “Žemaičiai” (Eng. “Samogitians”).

In 1993, the year of the enterprise establishment, “Liūtukas ir Ko” had only one dumpling-making device; the majority of production was hand-made. The first, still produced and available “Liūtukas ir Ko” product is “Liūtukas” (Eng. “Lionet”) dumplings with meat filling.

In 2008 potato sticks were awarded a gold medal for “The Lithuanian Product of the Year 2008”.

Closer to a Man

Successful decisions are predetermined by a careful attitude towards a man. Although the key objective of "Liūtukas ir Ko" is to provide its customers with a top quality production, the enterprise is constantly trying to comprehend other needs of a man and contribute to various public activities. The company donated financial contributions to various projects and funds:

- to an international graphic art project "Now Art Now Future";
- to charity and support fund "Bėdų turgus" (Eng. "Trouble Market"), to Christmas Charity Eve organised by Kaunas City Municipality, to Aleksotas Community Centre;
- to "NKL Star Day", an event organised by the Association of National Basketball League; to A. Sabonis' Support Fund;
- to Student Organisation of Vilnius University, to the celebration of Vytautas Magnus University students "A Festive Walking through the Dormitories";
- to Kaunas Technological University celebrations "Management Christmas 2003" and "Management Christmas 2004";
- to a student festival "Rafes 2003".

Aiming at getting closer to its consumers, JSC "Liūtukas ir Ko" participated in international exhibitions: "Anuga" (in Koln), "Prodexpo" (in Moscow), "Tastefest" (in Dublin), "IFE 09" (in London), "PLMA" (World of Private Label) (in Amsterdam), "SIAL" (in Paris). For the last few years the enterprise has been taking part in "Agrobalt" exhibition in Kaunas.
